## Line Dancing Event

This was a most enjoyable and successful evening. A big thank you to the FOLS team for all their hard work.

## Recycled Fashion Show

What a super performance! Well done to the children who modelled their own outfits so confidently on the catwalk. The show was a fantastic ending for last term's learning theme. The event also raised over £240 – amazing! Thank you so much yet again for your incredible support. We intend to put the money raised towards a stage for our future drama productions!

## Year 4 Orienteering Festival

Our Year 4 pupils spent a very blustery afternoon at Malmesbury School taking part in the Orienteering Festival. They worked very well in their teams and pairs to complete the 3 orienteering challenges.

## Key Stage 2 Athletics Coaching

Class 2 are enjoying some specialist training in athletics this term with County coach Dean Kinsella.

## Questionnaires

Thank you for returning these. It really does help us, both to show how well we are doing and to further improve our school. The results are being analysed and will be reported back in due course.

## SATs

All the children from Year 2 to 6 will be having assessments during the week beginning May 11<sup>th</sup>. Of course, it is most important that all children are in school for that week. In the event of illness, please let us

know as soon as you can if your child is too unwell to attend.

## Maths Challenge

The children have been working towards a challenge with other schools in the Malmesbury cluster. Selected pupils will go forward to the Challenge Event on Wednesday 20<sup>th</sup> May. You will be informed if your child is selected. Good luck to our mathematicians!

## Pre-School Evening

An information evening for the 2009 Reception intake will be held on Wednesday 20<sup>th</sup> at 6.30 p.m.
